Arxis Technology, Inc. and Caron Business Solutions, Inc. Receive Altec's Partner Excellence Awards

Sage Accpac Resellers Earn Altec's Partner Excellence Award Recognizing Excellence in Leadership and Innovation

Laguna Hills, CA – September 24, 2009 – Altec Products, Inc., a leading provider of integrated document management (IDM) and workflow solutions to small- to mid-market companies, is pleased to recognize Arxis Technology, Inc. and Caron Business Solutions, Inc. with its Partner Excellence Award. This award recognizes partners for their leadership and innovative selling of *doc-link*, Altec's IDM solution.

Presenting the award during the Accpac Third Party Advantage Conference (TPAC) was Altec EVP, Bill Brown. Accepting the awards were David Cieslak, Principal of Arxis Technology, Inc., and Paul Caron, CEO of Caron Business Solutions, Inc.

The Partner Excellence Award is a distinction given to partners who have been instrumental in assisting their customers advance to a leaner, smarter and greener way of conducting business. By understanding their clients' business processes and needs, Arxis and Caron were both able to recommend and steward the adoption of *doc-link* which not only streamlined operations, but eliminated the bottlenecks and costs inherent in a paper-based environment.

"Arxis and Caron are two partners who have stood out to be true leaders in this space. It has been exciting to see how quickly they have embraced the solution and taken it to their customer base, and it's interesting to note that both partners included *doc-link* in a new proposal of Accpac and won," indicated Brandt Morrell, President & COO of Altec. "They differentiated themselves and provided their clients with a solution that provided a ROI for the entire sale, including the ERP package."

About Altec

Based in Laguna Hills, Calif., and originally formed in 1985, Altec is a leading provider of Integrated Document Management solutions to mid-market companies. The company offers a wide range of accounting-centric paper to paperless solutions including its flagship product, *doc-link*[™], which enables companies to capture, archive, workflow and route structured and unstructured documents to customers, employees and vendors. Altec's comprehensive solutions include IDM, output management, MICR check disbursement and paper documents that serve more than 13,000 customers in North America. Altec works jointly with premier accounting and business management solution providers such as Epicor Software, Microsoft Dynamics, Sage Software and SAP to provide the most comprehensive, integrated enterprise document management solutions to its customers. For more information, visit Altec at www.altec-inc.com, or call 1-800-997-9921.

About Arxis Technology, Inc.

Arxis Technology, Inc. is a technology consulting firm specializing in the implementation and support of accounting and business management software, custom application development, and network engineering and design. As resellers and consultants for Sage Accpac ERP, Sage MAS 90, Sage MAS 200, Sage MAS 500, and SageCRM, Arxis services clients from their locations in Los Angeles, Orange County, Chicago, and Phoenix.
