Los Angeles ([PRWEB](#)) May 6, 2009 -- Arxis Technology, Inc., a technology consulting firm specializing in the sale, installation and support of Sage MAS 90, Sage MAS 200, Sage MAS 500, Sage Accpac ERP, SageCRM, BusinessObjects, and QuickBooks Enterprise Solutions, was recently honored with the Sage 2008 Customer Excellence Award. Arxis received the award in recognition of a Net Promoter Score (NPS) that is more than double the industry average.

Sage Customer Loyalty awards are provided to outstanding Sage Business Partners whose customers have ranked them above industry average in delivering an exceptional customer experience. Sage customers are surveyed once per year by an independent research firm using the Net Promoter customer satisfaction measurement system [www.netpromoter.com](http://www.netpromoter.com).

Bob Gaby and David Cieslak, Arxis Principals, were thrilled to receive the award. Gaby said, "We've received a lot of awards over the years, but this one stands out. More than sales awards or revenue milestones, our highest priority is taking care of our customers. Their trust and confidence is our highest compliment." Cieslak added, "The Customer Excellence Award is validation of our efforts to provide unparalleled service to our customers. At the same time, we're always working to find ways to we can improve. Our customers deserve the best and that's what we want to provide!"
