

Arxis Technology Principal Selected as One of the "Top 100 Most Influential People" in Accounting

Arxis Technology Principal Selected as One of the "Top 100 Most Influential People" in Accounting - David Cieslak Honored for the Fourth Consecutive Year Los Angeles, CA, October 5, 2009 - David Cieslak, CPA, CITP, Principal of Arxis Technology, Inc., was recently chosen by Accounting Today as a member of their "Top 100 Most Influential People" in the accounting profession. As a part of the fifteenth annual list, Cieslak joins leading CPAs, attorneys, regulators, politicians, educators, and vendor representatives from around the United States. This is the fifth time and fourth consecutive year Cieslak has been recognized as a part of this elite group.

Los Angeles, CA, ([PRWEB](#)) October 2, 2009 -- David Cieslak, CPA, CITP, Principal of Arxis Technology, Inc., was recently chosen by Accounting Today as a member of their "Top 100 Most Influential People" in the accounting profession. As a part of the fifteenth annual list, Cieslak joins leading CPAs, attorneys, regulators, politicians, educators, and vendor representatives from around the United States. This is the fifth time and fourth consecutive year Cieslak has been recognized as a part of this elite group.

Bill Carlino, Editor-in-Chief of Accounting Today, introduced the Top 100 by stating that the list is "reflective of all spheres of influence over the accounting profession" and "that the CPA profession will be among those counted on to help lead the way out of the current financial malaise - no matter how dark and fraught with pitfalls."

Of Cieslak, in particular, he said "One of the profession's 'go-to' guys on all things technology, Cieslak is a primary source for IT trends, and a point person who helps compile the AICPA's annual Top Tech Initiatives."

"Four consecutive years as part of the Top 100 and people still don't want me to touch their tax returns!" Cieslak quipped. "Seriously, I'm thankful to be included in this outstanding group again and count it a privilege to assist the CPA profession and SMBs with technology consulting and education."
