

SageCRM Switch and Save Program

Considering replacing your current CRM solution?
There has never been a better time to switch to SageCRM
through our new Switch and Save Program!

- Receive 60% off SageCRM when switching from an eligible CRM product.*
- Get 5% off your maintenance and support for the first 2 years of product ownership.
- Receive a credit towards data conversion services from your current product to SageCRM.

Why switch?

Compared to other CRM solutions in the market, SageCRM offers a comprehensive CRM solution with hosted or on-site deployment options.

- Full suite CRM solution. Broad feature set including sales, marketing, and customer service automation.
- Out of the box integration. Unlike most CRM applications, SageCRM integrates out-of-the-box with Sage ERP applications, providing you a 360-degree view of your business.
- Easy to use. With intuitive interfaces and on-screen coaching throughout to drive user adoption across your organization.
- Enhanced productivity. Interactive dashboards to manage daily tasks while delivering management with at-a-glance insight into overall business performance.
