([PRWEB](#)) July 15, 2010 -- Arxis Group, a consulting firm specializing in tax and accounting services, business valuation, forensic accounting, financial planning services, and ERP software implementation and support services, has earned the distinction of being named one of the Best Places to Work in the San Fernando Valley.

The rankings of the 20 companies, grouped by total number of employees, will be unveiled at an evening awards reception on Wednesday, August 11 at the Warner Center Marriott Hotel. A special publication profiling the companies selected as the Best Places to Work in the San Fernando Valley will be published in the August 2010 issue of the San Fernando Valley Business Journal.

The list of companies was chosen based on the feedback of two extensive questionnaires – one for the employer, which covered aspects such as company background, values, compensation, and community service; and another sent to each employee to gather feedback on company direction, leadership, and corporate culture.

Bob Gaby, Arxis Principal, said, “Receiving this award is a tremendous honor. Arxis is truly a great place to work because of each team member’s commitment to hard work, integrity, collaboration, customer service, and fun!

Chris Hamilton, Arxis Principal, added, “It’s a privilege to lead such a fine group of dedicated and talented professionals. Their passion to maximize our clients’ success makes each day rewarding and enjoyable.”
