Los Angeles, CA ([PRWEB](#)) May 26, 2011 -- Arxis Technology, Inc., a technology consulting firm specializing in the sale, installation and support of Sage MAS 90, Sage MAS 200, Sage MAS 500, Sage ERP Accpac, SageCRM, SAP Business ByDesign, and SAP BusinessObjects, was recently selected as a member of the Bob Scott's "Top 100 VARS." The list ranks value-added resellers (VARs) and technology consultants across North America by annual revenue totals. Honored for the second consecutive year, Arxis was ranked #69 on the prestigious list.

David Cieslak, Arxis Principal, acknowledged the recognition means a great deal given the challenging economy of the last couple of years. "We're very pleased to have made the 'Top 100' list again. The past two years have had their challenges, but I really believe we've emerged as a stronger, more focused organization. We're more excited than ever for the opportunities to provide ERP software and services to small- and mid-sized businesses."

"This honor is a testament to the entire Arxis team, our clients, and our vendor partners," Bob Gaby, Arxis Principal, added. "We're grateful for the talented and dedicated Arxis team members and the privilege to work with many creative and resourceful clients."
