

Arxis Technology Team Member Named to Sage Accpac Product Advisory Council

Arxis Technology, Inc. announced today that Jan Goodman, head of Arxis Technology Phoenix, has been selected by Sage to serve on the 2010 Product Advisory Council (PAC) for Sage Accpac ERP.

Simi Valley, CA ([PRWEB](#)) March 24, 2010 -- Arxis Technology, Inc. announced today that Jan Goodman, head of Arxis Technology Phoenix, has been selected by Sage to serve on the 2010 Product Advisory Council (PAC) for Sage Accpac ERP.

Sage created the PAC for selected business partners to provide feedback and recommendations for Sage product lines. PAC members meet on a regular basis with Sage product management and product development staff to support the long-term success of Sage products through validation of product plans and designs. PAC members are a resource to product management, designers/business analysts, usability designers, software developers, and other groups that require product-related feedback.

Jan Goodman said, "I'm thankful for this unique opportunity to serve my clients, my fellow Sage business partners, and the executive management team at Sage. Working with the other PAC members on behalf of our clients, I look forward to helping Sage make Sage Accpac an even better solution for small- and mid-sized businesses."
