

Arxis Technology, Inc. Named to Sage Million Dollar Club for 2010

Arxis Technology, a Sage North America business partner specializing in the sales, installation, and support of Sage ERP MAS 90, Sage ERP MAS 200, Sage ERP Accpac, SageCRM, and Sage FAS, has been named a Sage North America Million Dollar Club achiever for eclipsing a million dollars in revenues during the 2010 business year.

Los Angeles, CA ([PRWEB](#)) November 19, 2010 -- Arxis Technology, a Sage North America business partner specializing in the sales, installation, and support of Sage ERP MAS 90, Sage ERP MAS 200, Sage ERP Accpac, SageCRM, and Sage FAS, has been named a Sage North America Million Dollar Club achiever for eclipsing a million dollars in revenues during the 2010 business year. Sage recognizes Arxis Technology and all Million Dollar Club achievers for the substantial contributions made to the overall success of Sage, its business partners and the mutual customers they serve.

Million Dollar Club recognition is earned by Sage Business Solutions (SBS) business partners representing a host of segment-leading brands, including Sage ERP Accpac, Sage Timberline, Sage ERP MAS 90, Sage SalesLogix, Sage Abra HRMS (human resource management system), Sage FAS Fixed Assets and others. Arxis Technology is one of 48 Million Dollar Club achievers and a top-selling Sage Business Partner in North America.

“It is through the combined efforts of many individuals and many business partners that Sage is able to provide our customers with top quality products and services,” said Paul Johnson, EVP Sales, Sage Business Solutions. “We extend our sincere congratulations to Arxis Technology in recognition as a Sage Million Dollar Club achiever for 2010.”

David Cieslak, Arxis Principal, acknowledges that this achievement is a team effort. “Million Dollar Club is a reflection of the hard work of our talented staff, a strong partnership with our clients, and the support and dedication of Sage. He added, “It’s enjoyable and rewarding to partner with great people and make a positive difference for small- and medium-sized businesses.”
